DESIGNER AND CRAFTSMAN INTERESTED IN UX AND INTERACTION DESIGN

BIO

I'm a multidisciplinary designer who loves designing those **touchable, seeable, feelable, lickable** aspects of an experience. Though I've mostly worked in UX design, my interests include **physical** and **non-graphic** mediums as well. Everything from **sounds, animations, textures, and vibrations** must be designed, and those salient design elements are where my passion lies, for they **make a design enjoyable**.

SKILLS

Extensive experience in developing:

- + Personas
- + User flows
- + Information architecture
- + Wireframes
- + Mid and High-fidelity prototypes
- + Design systems

I also have experience in:

- + A/B testing
- + User research
- + Usability testing
- + Design thinking
- + Task analysis
- + Providing technical support
- + Operating PolyPrinter 3D printer

SOFTWARE

- + Sketch
- + Figma
- + InVision & InVision Studio
- + Adobe Photoshop
- + Adobe Illustrator
- + Adobe InDesign
- + Adobe XD
- + Microsoft Office
- + Microsoft Teams
- + Mural

EDUCATION

BFA in Communication Design *from UNT*

AUG 2017 – MAY 2021 | DENTON, TX | 3.83 GPA

Bachelor of Fine Arts in Communication Design, with a concentration in User Experience Design, and Minor in Art History from the University of North Texas

EXPERIENCE

Tech Support Assistant *for HPS IT Services*

OCT 2019 – AUG 2021 | UNT'S COLLEGE OF HEALTH AND PUBLIC SERVICE

As one of two tech assistants at HPS IT, I was responsible for directly assisting our System Administrator and Director with IT duties in the college. This included:

- + **Interviewing, advising in the hiring process, and training 3 new employees** in the final months leading up to my departure
- + Providing Tier III tech support and managing support requests
- + Working with other IT units and companies (such as Dell or Apple) when more advanced support was required
- + Overseeing and managing roughly 400 devices in the college
- + Managing inventory and arranging equipment redistribution and custodianship, including hundreds of capitalized assets
- + Writing and continuously updating user guides and internal department manuals

Student Assistant *for HPS IT Services*

NOV 2018 – OCT 2019 | UNT'S COLLEGE OF HEALTH AND PUBLIC SERVICE

As a student assistant at HPS IT, I was responsible for a wide array of duties related to managing and maintaining the functions of our department. My duties included:

- + **Designing signage, both digital and physical, and refreshing the department website and public-facing branding artifacts**
- + Troubleshooting lab computers and engaging in on-the-fly problem solving
- + Working in a team and ensuring all shifts were covered
- + Handling 3D print requests from students and operating our 3D printer

Club Treasurer *for UXSA*

FEB 2019 – SEP 2020 | USER EXPERIENCE STUDENT ASSOCIATION OF UNT

As a founding member and Treasurer of UXSA, I was responsible for all financial matters of the organization. This included collecting dues, tracking expenditures and income sources, and purchasing supplies and materials as needed.

Adobe XD Ambassador

AUG 2019 – AUG 2020 | ADOBE INC.

As an XD Ambassador for Adobe, I worked with the other 4 ambassadors to organize and present at workshops and other on-campus activities to promote Adobe software, particularly Adobe XD and its UX capabilities.
